

## MILLEMIGLIA MEMBERS'S PARTNERS

At the MilleMiglia Program participating companies, operating in different industries, as a Commercial Partners. By using the vast range of services and products offered by the Partners, Members of the Program accrue miles, according to the terms stipulated with each Partner, and which may be consulted on the website. Moreover, through special promotions, MilleMiglia Members may benefit from a more awarding mileage accrual scheme – bonus miles – which are added to the miles normally granted. The list of Program Partners is available on the Internet website and/or in the Program Communications. The regulations of the mile awarding operations of the Partners associated with the MilleMiglia Program may be consulted by clicking on the website links of the Partners given below.

This list is subject to variation following the possible evolution of portfolio agreements. The Program promptly communicates to Member any variations in the aforementioned list. However, such variations do not cause the loss of the miles accrued by using the services provided by any Partner excluded from the list.
